

Creative Writing Enrichment Class

Spilling Ink: Page Turning Plots

Using selected steps from the classic Hero's Journey, writers will create a story with a delicious, edge-of-your-seat plot that is sure to have readers begging for more. Society of Young Inklings' unique methodology uses active improvisational games to inspire young writers in the creation of original stories.

Play your way to the page!

Society of Young Inklings' unique methodology uses active improvisational games to inspire young writers in the creation of original stories. Each creative writing class is designed to inspire and challenge young writers based on their unique needs and skill level.
